Invitation

Dear Friends

With great pleasure, we invite you to the 39th Annual Conference of AOGD, the much-awaited annual academic extravaganza! In focus with contemporary Obstetrics & Gynecology practice the theme aptly chosen for this year is **'Bridging the Gap- Taking Evidence and Innovation to Clinical Practice'**.

The highlight of the conference is the presence of Dr. Mario Leitao, Director, Minimal Access and Robotic Surgery (MARS), Memorial Sloan-Kettering Cancer Center, New York who will be delivering the Brigadier Khanna Oration. Apart from this the conference promises cutting edge symposia, interesting key notes, incisive panels, adrenaline packed debates and the Best Evidence of 2017 all rolled into a two-day academic bonanza! We urge you to see the Scientific program which has been put together carefully with much thought to interest all members of AOGD.

We look forward to our young obstetricians and gynaecologists participating in large numbers and presenting free papers, competition papers, participating in the Quiz and slogan writing. Role play by young students on socially relevant issues will be an attraction during the Inaugural ceremony, which promises to be interesting.

Friends, it is our sincere request, to please register early to avoid disappointment as only finite number of spots are available.

Look forward to seeing you all the 39th Annual Conference of AOGD this November!

Cheers

Shalini Rajaram
President, AOGD

Abha Sharma
Secretary, AOGD
