Dear Colleagues and Guests,

Warm Greetings!

On behalf of DGES 2023, we take great pleasure in welcoming all the faculties and delegates at the national Workshop of DGES which will be held from 24th September 2023, at Hotel Jaypee Siddharth, New Delhi

The time has come when laparoscopy has become a routine surgery and the first choice with both doctors and patients.

But it is an art that needs constant updation and grooming beyond any doubts and confusions. The theme of the conference **“Laparoscopy-The Face of Modern Surgery”** becomes very apt in the current context.

We look forward to welcoming you all to Delhi, the vibrant capital city of India. In Delhi, beats the heart of the nation. It is a rich conglomeration of culture and tradition, modernity and heritage.

With this multitude of historical monuments and at the same time contemporary architecture Delhi is a true reflection of the diversity of our great nation.

We look forward to your support and participation in carrying forward the rich tradition of learning and teaching in the right spirit

President,
Dr. Dinesh kansal
